Seville Spain

It ranked the #1 travel destination according to Lonely Planet. The city is known for its rich history, stunning architecture, and authentic culture, including plenty of tapas tasting and Flamenco dancing. Must-sees include Seville's Central Cathedral, the largest Gothic cathedral in the world, and Alcázar Palace and Gardens, built over 100 years ago (and made a Game Of Thrones appearance in season five).

One thing that can't be missed when visiting Seville is the Southern Spanish tapas food. Take a tapas tour or dine in one of the many local restaurants that the city has to offer. Take a night out to grab drinks and watch a Flamenco dancing show, another absolute must-do in Seville.

The Residence

Located in downtown Seville, this vibrant property features two bedrooms and two bathrooms, comfortably sleeping four adult travelers. Being centrally located, this residence is ideal for a leisurely stroll downtown to one of the many local wine bars or culinary masterpieces Seville has to offer.
