Toast to the end of summer but continued sunny weather in San Diego with this mixed case of (6) Sauvignon Blanc and (6) dry Rosé! Made from certified-organic grapes, these boutique bottlings come from Mendocino County’s exciting wine region up in Northern California. Sisters Lauren and Whitney produce their Boeket label entirely from their family’s estate where they grew up playing hide-n-seek in these very vineyards. The wines are crisp and refreshing - perfect for a day by the beach or dinner al fresco.

Their 2023 Sauvignon Blanc is truly sunshine in a glass; notes of grapefruit, white peach, and pineapple. Their 2023 Rosé of Carignane is made from some of the oldest vineyards in the state (100+ years old) and is made in the true, dry Rhône style; notes of watermelon rind, strawberry, and citrus.
