*Hera Hub is a coworking space and business accelerator where entrepreneurial women can create and collaborate in a professional, productive, spa-like environment. The platform provides members with connections to other business experts, access to educational workshops, and visibility within the community... thus giving them the support they need to be prosperous.*

*Hera Hub is often called a "space for creativity". Members have uncovered new market opportunities, found business partners, and even funders for their business through the community.*

***Multiple Locations in Southern California***

*San Diego County - Carlsbad,*

*Mission Valley, Sorrento Valley*

*Irvine*

*Temecula*
