### *Love and Support for Our Troops*

Since 1939 the *Rotary Club of Carlsbad* has been actively supporting the community. In conjunction with our satellite club at the Marine Corps Base Camp Pendleton, *Rotary Camp Pendleton*, and the community we will be able to support our active-duty Marines, and their families, on base who are in need. Help to supply *car seats, diapers and children's books* for the kids on base whose families are struggling. *Many hands make light work! Let's show the love and support for our troops before, during and after they fight for our freedom.*
