

2nd Annual Auction He Intends Victory

Android men's divers watch

#12

The image displays three views of an Android men's divers watch. The main view on the left shows the watch's face, which is blue with white luminous markers and hands. The dial features three sub-dials: a date window at 3 o'clock, a 30-minute counter at 6 o'clock, and a 12-hour counter at 9 o'clock. The bezel is silver-toned with a rotating scale for minutes. The watch has a stainless steel case with two pushers and a crown on the right side. The strap is blue with a textured, crocodile-like pattern. Two smaller inset images on the right show the watch's case back and the strap's texture.

Starting Bid **\$60.00**

Retail Value \$350.00

There's no mistaking the function of this watch with a large, easy to read dial, rotating bezel and water resistance to 1650 feet. 316L (marine grade) stainless steel, a hardened mineral crystal and six jewel movement. Has luminous markers, three sub dials and a blue genuine leather band.
