Betus Retro Style Clock

Starting Bid **\$35.00**

Donated by **Jim Palmer**

Model HY-F018.

A great conversation piece! This clock will catch the eye of any visitor to your home or office. Classic minimalist design was inspired by split-flap display clocks seen in old train stations.

Accurately keeps time thanks to the quartz movement; the stainless-steel frame and ABS number cards ensure durability.

Battery powered 12-hour am/pm display. 14 inches in length, 3.5 inches in width and 5.5 inches in height. Hole in the back for wall-mounting. Battery not included
