

2nd Annual Auction He Intends Victory

Eco Smart Tankless Water Heater

Starting Bid **\$45.00**

Donated by **Jim Palmer**

This compact, tankless electric water heater is perfect for bathrooms, office breakrooms, wet bars, or RVs. Designed to save both space and energy, it features durable copper-sheathed heating elements for long-lasting performance. With easy installation and adjustable digital temperature control (80 – 140°F), it offers convenience and efficiency for any setting.
