Invicta SubAqua Noma III Watch

#72

Starting Bid **\$55.00**

The image displays an Invicta SubAqua Noma III watch. The main view shows the watch from a front-three-quarter angle, highlighting its stainless steel case and white leather strap with white stitching. The watch has a blue dial with three sub-dials and a unidirectional rotating bezel with white markings. The dial features the Invicta logo and 'SWISS MADE'. Two smaller inset images provide additional details: the top-right inset shows the watch's crown and pushers, and the bottom-right inset shows the back of the case with the engraved text 'INVICTA SUBAQUA NOMA III' and 'SWISS MADE'.

Retail Value \$230.00

This eye-catching men's divers watch is powered by a Swiss-made movement within its solid stainless-steel case. The face is deep blue with 3 sub dials and a unidirectional rotating bezel, all protected by a flame-fusion crystal. Water resistant to 1650 feet. The band is white, genuine leather with white top stitching.
