

2nd Annual Auction He Intends Victory

myLIFTER Smart Hoist

#21

Starting Bid **\$75.00**

Donated by **Jim Palmer**

Model B00ZTOV304

Safely store your items overhead with SmarterHome's motorized Basic Lifter. Lift strollers, sports gear, shop equipment, and other items up and out of the way to safely maximize your garage space.

Easy to install, lightweight components

100lb weight capacity

One-touch lifting and lowering with our Bluetooth app (compatible with iOS and Android)

Built-in safety features include:

- Speed control
- Automatic lift and lower stopping points
- Overload protection: will not lift more than weight capacity

- Weight feedback: know when you are reaching the weight limit

Tangle-free winding: smooth lifting and lowering
