From the first bite of your burger to your last french fry, quality is the most important ingredient at In-N-Out Burger. We don't freeze, pre-package, or microwave our food.

Of course, a great burger deserves great fries. At In-N-Out, french fries come from the finest, freshest potatoes. They're shipped right from the farm, individually cut in our stores, and then cooked in 100% sunflower oil. Our shakes are just as genuine – made with real ice cream. At In-N-Out, that's the only way we'll ever make them. Because when you like to keep things simple, doing things the old-fashioned way is the freshest idea of all.
