The Jasmine S35 is a great looking dreadnought guitar with a big, bold sound and excellent features that represent exceptional value. Great for any player seeking a well built and easy playing guitar, the S35 features a Sitka spruce top with Jasmine's advanced "X" bracing, and mahogany back and sides. The slim neck and full 25.5" scale length provide a comfortable feel and excellent playability, and the smooth satin finish maximizes resonance for optimal sound quality.

Other great features include a rosewood fingerboard and bridge, full body binding and chrome tuners.
