Master monochromatic style with the “Blackout” Nighthawk. The sporty design will strike up a conversation with its distinctive look in all black ion-plated stainless steel and with advanced features, including the 1/5 second chronograph that measures up to 60 minutes, 12/24 hour time and a tachymeter that measures speed based on time traveled over a distance. Featuring our Eco-Drive technology that’s sustainably powered by any light and never needs a

battery, this versatile watch stands out is essential for every man's weekday to weekend wardrobe.
