Traeger invented the original wood-fired grill over 25 years ago in Mt. Angel and continues to lead the industry as the worlds #1 selling wood-fired grill, perfected by decades of mastering the craft of wood-fired cooking. Fueled by 100 percent pure hardwood pellets and controlled with a digital controller, means from low and slow to hot and fast grilling, you'll fire up deliciously consistent results every single time. The Tailgater 20 features a smaller footprint and EZ-fold legs that fold flat making it prime for balconies, tailgating or anywhere else you want to roll out wood-fired flavor.
