

FAVOR FREEDOM EVENT

Favor International

Handmade Earring Bundle

#71

Starting Bid **\$45.00**

Donated by **The Putnam Girls**

3 Pairs of Handmade Earrings Made by Two Young Girls and Their Mother with Love

Ali Putnam and her daughters, MacKenna (13) and Paige (10) have begun making earrings together out of polymer clay and metal. They are in the process of putting together an Etsy store and hope to use the proceeds from the sales to build the Kingdom and contribute to Favor International, The House of Blessing (a transitional home for women in Los Angeles) and other ministries.
