Fund 100 Bible Distribution

Cost - \$1,000 for 100 Bibles

- At Favor, we are known for Bible distribution. Bibles are given to Portable Bible School graduates, soldiers at the border, and new converts. They are given to rebels in exchange for safe passage, those in prison & hospitals, government officials, and to all of our GIFT youth and students in our schools.
- Our motto is Bibles instead of Bullets. As we go, we carry bibles because the Word of God rooted in the heart of men and women will transform a nation.
- The transportation of Bibles is double the cost of the Bibles themselves. We are taking the Word of God in local languages, whether the written word or audio Bibles, to the most remote tribes and villages.
- The living Word of God is gladly received and has saved our lives as well as many others.
