Provide Community Empowerment by funding Missionary Staff Housing

#51

Starting Bid **\$1,000.00**

Donated by You!

Provide Community Empowerment by helping make home ownership a reality for Favor Missionary Staff.

Housing Costs ranges between \$1,000 - \$25,000

- Staff allowances are small and bank loans or mortgages are not available. Landlords demand renovations are done to upgrade the properties which is unrealistic. Favor provides small salary loans which enables staff to purchase property and build their own homes.
- Costs for one home varies from \$1000 USD for a mud hut to \$25000 for a 3 bedroom brick bungalow
