Provide Community Empowerment by Sponsoring a Mission Station

#57

Starting Bid **\$10,000.00**

Donated by You!

Help establish 22 Mission Stations to blanket the Nations with Prayer and The Gospel!

Cost of a Mission Station Sponsorship - \$10,000 per station

- The purpose of a Mission station is to blanket a nation with prayer, evangelism, discipleship and church planting and it will take covering every rural unreached people group, dangerous remote areas in a whole nation to saturate the nation with the gospel.
- To do this we've identified 22 locations that will be central mission stations, out of which we will have all ministry operations flowing that come from the main base of Favor in Juba.

- Each mission station will include: 2 fully trained indigenous missionaries, 2 tents for offices, sleeping & training, one motorcycle, a Jesus film backpack with solar power supplies for the Jesus movie evangelism, and a full 2 years of Bible school curriculum.
- If 22 mission stations engage 10 Portable Bible Schools and each Portable Bible School averages 100 trained and 100 saved - that's 22,000 disciples and 22,000 saved over a 3-month period. This will be done 3x per year from each mission station. This averages 60-70,000 discipled and 60-70,000 saved annually.
- This has been the history of Kingdom growth for the last 18 years and we are expecting God to answer prayer for this much and more in the coming years with 22 missions stations established to bring expanded growth and multiplication.
