Help provide every person in every tribe The Word of God in their own language!

Cost of a Language Translation Project - \$5,000 per translation

- It is a priority to translate the scriptures into local languages and we do so by translating - God's Story, Bible on Audio, The Written Bible
- These are what is given out to the Portable Bible School graduates in the villages.
- If they can read, they are given a Bibles in their language but if they are illiterate they receive the audio Bibles in their local language.

- With hundreds of languages in Uganda and South Sudan this is an ongoing project. The need is huge and the people are so grateful to receive the scriptures, whether written or audio in their language.

\$ 5,000 USD for God's Story translation

\$14,000 USD for Bible on Audio

\$20,000 USD for Written Bible translation
