Provide Economical Empowerment for Women and Youth - Fund a Sewing Machine

#31

Starting Bid **\$125.00**

Donated by You!

Provide income and sustainability projects for women and youth by funding a Sewing Machine.

Cost - \$125 each

*Every \$125 donated here will buy another sewing machine for women and youth!

- We are hoping to purchase sewing machines for our vocational program. Also, we would like to provide sewing machines for vocational graduates to help them set up their own businesses!

- The impact it makes in the program and the lives of these individuals is immense!
