Provide Evangelism Empowerment by helping Favor reach those who have not heard The Good News yet through outreaches by funding a Crusade Truck!

Cost of a Crusade Truck - \$45,000 per truck

- Evangelism is Favor International's greatest way to reach the lost. Travel is vital for every crusade and outreach. We have the ability to transport our equipment in a safe and effective manner thanks to our Crusade Trucks.
- We are able to load our PA system, generators, and supplies onto these large trucks. When we mobilize and minister in remote villages and marketplaces, we use the truck bed as a platform to preach the good news of the Gospel!

- Each fully equipped crusade truck is \$45,000 USD each. Both South Sudan and Uganda are in need of one. With these trucks we can reach more people everyday!
