Provide Women Empowerment by funding 50 Goats for a 3 Year Project

#41

Starting Bid **\$1,500.00**

Donated by You!

Provide Women Empower to help bring financial stability to families and their communities by funding 50 Goats for a Project that Favor will walk beside each woman for success over a span of 3 years. After success, the woman take 2 of their goats to the next village to help teach and empower more women and so on, and so on for years to come. . .

Cost - \$1,500 for 50 goats (Funds the whole 3 years of the Women Empowerment Project)

- When women in our Women's Empowerment project receive goats they are provided with a enormous tool to help them develop income generating projects.

- Through these projects they are able to establish financial stability for not only them and their families, but also for their community and villages! This allows these women to provide essential things like an education for their children and a brighter future for the generations to come!
