

Budget Planner Basket

Starting Bid **\$30.00**

Donated by **The Jordan Page Co.**

The long-anticipated Budget Planner from finance guru Jordan Page is here! Rather than managing your schedule and appointments, this planner will help you set goals, organize your finances, build up savings, pay off debt, and track spending. Use this financial planner daily, and before you know it your financial world will be turned upside down—for the better!

- *Turn motivation into action to take control of your money.*
- *Create a clear path to tackle your finances so that you can stop fighting about money and finally achieve your financial dreams.*
- *Get down to the nitty-gritty. The Budget Planner even teaches you how to budget for gifts, parties, and holidays.*

- *Great for families, couples, or individuals at any age and stage of life.*
- *Covers everything from daily budgeting to long-term financial goals.*

Basket includes: budget planner, scissors, notebook, stapler, pens and to do labels
