Newport Beach Boat Parade is the premier holiday event in southern California. For over 100 years, the Newport Beach Boat Parade has dazzled spectators. The boat parade in Newport Beach began as a 9-boat affair during the turn of the 20th century and has grown into hundreds of ships and homes in complete décor, with over 2 million people viewing the Newport Beach Boat Parade each year. The cruise will allow you to take in the fantastic light displays and holiday décor of bay front estates and landscapes competing in the “Ring Of Lights” competition. Millions of lights and elaborate decorations transform Newport Bay into a magical holiday experience.
