Say hello to the ultimate productivity guide, now available in a leather cover and built-in tabs!

The Block Schedule™ Planner by Jordan Page is your step-by-step guide to getting more done while enjoying more free time.

This is not your typical planner! It's not just about your schedule—it's about getting things done.

- *Learn to prioritize family time and self-care while still meeting your obligations by working smarter, not harder.*
- *Learn practical and effective solutions for creating routines and systems that work for you and your family.*

- *Includes a step-by-step guide to the viral “Block Schedule™” system.*
- *Walks you through every week, making sure you complete tasks while still finding room for guilt-free “me time.”*

This weekly version includes:

- *Seasonal bucket list section*
- *Yearly calendar*
- *Goals*
- *An entire budgeting section*
- *Tabs with pockets*
- *Weekly Blocks and more!*
