Experience the art of Tuscan living the moment you set foot in your historic Italian villa. Nestled in the rolling hills of Cortona and surrounded by the sweet smell of cypress trees, your Tuscan retreat features a rich blend of rustic tradition and contemporary luxury. Arched windows, cathedral wood ceilings, and centuries-old stonework capture an elegant simplicity that is carried over into four stunning bedrooms.

Outside, winding gardens and sun-dappled courtyards give out over the sweeping hills and valleys, inviting afternoons of alfresco dining and refreshing dips in the sparkling waters of the private pool. For a true taste of Tuscany, indulge in an exploration of the region's culinary treasures with a private

winery tasting tour and lunch. Then discover a world of gourmet flavor with a private cooking class and dinner, all included in your stay.

The nearby medieval towns of Cortona, Montepulciano, and Arezzo call for days of leisurely exploration. Discover ancient architecture, medieval frescoes, and timeless renaissance masterpieces with a bespoke itinerary crafted by your travel experts. Or simply lose yourself in the sun-drenched piazzas and panoramic views of this picturesque region.
