Whatever you need whenever you need it.

Originally started as an online bookselling company, Amazon has morphed into an internet-based business enterprise that is largely focused on providing e-commerce, cloud computing, digital streaming, and artificial intelligence ([AI](#)) services.

Following an Amazon-to-buyer sales approach, the company offers a monumental product range and inventory, enabling consumers to buy

just about anything, including clothing, beauty supplies, gourmet food, jewelry, books, movies, electronics, pet supplies, furniture, toys, garden supplies, and household goods.
