Starting Bid **\$80.00**

Retail Value \$190.00

1 Available

Are you ready to embrace your inner sharpshooter and confidently hit the bullseye? Look no further than our exclusive "On Target" Women and Friend Handgun Class! This thrilling experience offers you and a friend the opportunity to learn, aim, and fire like a pro under the guidance of expert instructors.

What's Included:

1.5 Hours of Expert Instruction: Our skilled instructors are passionate about firearm safety and marksmanship. They'll provide hands-on guidance, ensuring you feel comfortable and confident handling a handgun.

Ample Ammunition: We've got your shots covered! The package includes ample ammunition to practice your aim and improve your accuracy.

Gun Rental: Don't worry about bringing your firearm – we'll provide you with a top-quality handgun during class. It's the perfect opportunity to try out different types of handguns and discover your favorite.

Range Time: Take your newfound knowledge and skills to the range. Experience the exhilaration of sending rounds down-range and watching your shots land on target.

Safety First: Your safety is our top priority. Our instructors will teach you the fundamental rules of firearm safety, ensuring a responsible and enjoyable experience.

Why "On Target"?

Our "On Target" Women and Friend Handgun Class is designed with you in mind, whether you're a beginner or looking to enhance your marksmanship skills. It's an excellent opportunity to bond with a friend, build confidence, and learn the art of shooting accurately and safely.
