Siena Palazzo for 6 | Italy

Immerse yourself in the splendor of one of the most beautiful cities in Italy. The hilltop town of Siena, located in the heart of the Tuscan countryside, provides a fascinating trip back in time to the Middle Ages when it was one of the great city-states of the Tuscany area.

Your accommodations offer privileged views of architectural wonders such as the Piazza del Salernini, the Duomo of Siena, and the Monti di Peschi, the oldest bank in the world.

The palazzo houses up to 6 people, with three bedrooms, four bathrooms, antique furniture, and beautiful murals. The accommodation has AC, WIFI, a jacuzzi, and a sauna for your comfort. In the winding medieval streets around the house, you will find high fashion shopping, lots of restaurants, wineries, bars, and supermarkets with typical Tuscan products. This 7-night stay includes Chianti wine tasting, a private walking tour of Siena with a skip-the-line Duomo ticket, pre-trip planning, and booking assistance.
