Montaigne Avenue

The 30 Montaigne Avenue bag enriches the emblematic line with a timeless and elegant format. Crafted in blue Dior Oblique jacquard canvas, the rounded flap with delicate curves is punctuated by an aged gold-tone metal CD clasp, inspired by a Christian Dior perfume bottle. Other neat details, such as the 30 Montaigne signature embossed on the back and the signature chain alternating links in gold metal and tone-on-tone enamel matching the color of the leather, complete this model. This gusseted bag, with a spacious and refined design, can be carried by hand, on the shoulder or crossbody.
