Bowl #364 Makawao Mango Wood

Starting Bid **\$215.00**

Retail Value \$250.00

Donated by Tracy Stice

Crafted from a tree removed during a cottage construction, this bowl retains a unique bark inclusion that adds natural character. The bottom has been filled with epoxy to ensure it's fully functional as a salad bowl, combining rustic charm with practicality.

This bowl has a polyurethane finish, which allows hand washing. After washing, wipe it with mineral oil to help repel wood borers that like to eat mangoes.
