Calistoga, CA:

Picture a quaint yet peaceful retreat surrounded by hundreds of acres of vineyards; then you know about Calistoga. Located at the northernmost tip of Napa Valley, Calistoga offers an easygoing vibe that is perfect for those looking to relax after enjoying a day of wine tasting. Calistoga's mineral-rich waters and natural geothermal hot spring pools make it home to several spas where visitors can soak it all in. Don't miss out on the city's main road, Lincoln Ave, lined with boutique shops, tasting rooms, and of course, some of the best eateries in Napa Valley.

The Residence:

Every detail was selected with the discerning traveler in mind – from the curated artwork to the plush robes, to the beds & linens of a five-star resort, to the designer-selected furnishings that make travelers feel at home. In the morning, prepare your Nespresso coffee and step outside to enjoy the crisp Calistoga air while mulling over the day's possibilities. There are three cottages on site, each an average of 550 sq ft, making this an ideal two-person getaway, or buy multiple and go with friends and family.
