Donated by Jewels With A Purpose

Make a statement in these exquisite jewels, beautifully designed in California and finely crafted with authentic fresh water pearls, in solid 925 sterling silver and world's most desirable simulated diamonds ever created. Both the lariat and the earrings have a special "love promise" signature flower with a cross indent on the back, for protection. The necklace features an 18-inch chain around the neckline and the height is adjustable. The post earrings have safety backings with silicone inside, to keep them from moving. Outstanding packaging for gifting or to hold your keepsakes! Created exclusively for the philanthropic community.

Our jewelry goes through a special process, starting with high polish, followed by a coating of palladium, then platinum and finished off with a layer of rhodium or yellow gold. With A Purpose is known for: timeless elegant design, luxurious look and feel and everlasting quality.
