Starting Bid **\$150.00**

Retail Value \$800.00

2 Available

Donated by Orange Twist

Brow wow service- This treatment is your best defense against natural signs of aging, without the trouble or worry of invasive surgery. Ultherapy uses ultrasound energy to lift and tighten your skin naturally, and it's FDA-cleared for extra peace of mind. It only takes 60 minutes which we love because who has time for hours-long treatments anymore? This basket also includes a lip scrub, triple peptide lash enhancing, facial ice globes, blanket, eye mask and water bottle
