Seville Spain

Ranked #1 travel destination according to Lonely Planet. The city is known for its rich history, stunning architecture, and authentic culture that includes plenty of tapas tasting and Flamenco dancing. Must-sees include Seville's Central Cathedral, the largest gothic cathedral in the world, and Alcázar Palace and Gardens, which were built over a 100-year span (and made a Game Of Thrones appearance in season five).

One thing when visiting Seville that can't be missed is the Southern Spanish food of tapas. Take a tapas tour or dine in one of the many local restaurants that the city has to

offer. Take a night out to grab drinks and watch a Flamenco dancing show, another absolute must-do in Seville.
